

Open Up The Gates

Planetshakers

We come into this holy place to bring a sacrifice of praise
Bow down before You and seek Your face
We sing of the mighty things You've done, cry out to You, "Let Your will be done,"
Tell all the world You're the Holy One
Hear the shouts of praise as they're rising up to You
Come and fill this place as we bring glory to Your name Open up the gates and let the King of glory in
Fill this house with praises as we lift our hands and worship You
Open up the doors and let Your glory fill the earth
King of Heaven, we dance before Your throne We come into this holy place to bring a sacrifice of praise
Bow down before You and seek Your face
We sing of the mighty things You've done, cry out to You, "Let Your will be done,"
Tell all the world You're the Holy One
Hear the shouts of praise as they're rising up to You
Come and fill this place as we bring glory to Your name Open up the gates and let the King of glory in
Fill this house with praises as we lift our hands and worship You
Open up the doors and let Your glory fill the earth
King of Heaven, we dance before You Open up the gates and let the King of glory in
Fill this house with praises as we lift our hands and worship You
Open up the doors and let Your glory fill the earth
King of Heaven, we dance before Your throne King of Heaven, come and take Your place
Dwell among us as we seek Your face Open up the gates and let the King of glory in
Fill this house with praises as we lift our hands and worship You
Open up the doors and let Your glory fill the earth
King of Heaven, we dance before You Open up the gates and let the King of glory in
Fill this house with praises as we lift our hands and worship You
Open up the doors and let Your glory fill the earth
King of Heaven, we dance before Your throne Oh, we dance before Your throne
Lord, we dance before Your throne
Oh, we dance before Your throne
