

Umbrella

RIHANNA feat. JAY-Z.

Gyeah, Rihanna
Good Girl Gone Bad
Take three, action
No clouds in my storms
Let it rain, I hydroplane into fame
Comin' down like the Dow Jones
When the clouds come, we gone
We Roc-A-Fellas
We fly higher than weather
And she flies it better
You know me, in anticipation for precipitation
Stack chips for the rainy day
Jay, Rain Man is back with Little Miss Sunshine
Rihanna, where you at?
You had my heart, and we'll never be worlds apart
Maybe in magazines, but you'll still be my star
Baby 'cause in the dark, you can't see shiny cars
And that's when you need me there
With you, I'll always share
Because when the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath, I'ma stick it out to the end
Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella
(Ella ella, ay ay ay)
Under my umbrella
(Ella ella, ay ay ay)
Under my umbrella
(Ella ella, ay ay ay)
Under my umbrella
(Ella ella, ay ay ay, ay ay)
These fancy things will never come in between
You're part of my entity, here for infinity
When the war has took its part
When the world has dealt its cards
If the hand is hard, together we'll mend your heart

Because when the sun shines, we'll shine together
 Told you I'll be here forever
 Said I'll always be your friend
Took an oath, I'ma stick it out to the end
 Now that it's raining more than ever
 Know that we'll still have each other
 You can stand under my umbrella
 You can stand under my umbrella
 (Ella ella, ay ay ay)
 Under my umbrella
 (Ella ella, ay ay ay)
 Under my umbrella
 (Ella ella, ay ay ay)
 Under my umbrella
 (Ella ella, ay ay ay, ay ay)
 You can run into my arms
It's okay, don't be alarmed, come in to me
 There's no distance in between our love
 So go on and let the rain pour
 I'll be all you need and more
Because when the sun shines, we'll shine together
 Told you I'll be here forever
 Said I'll always be your friend
Took an oath, I'ma stick it out to the end
 Now that it's raining more than ever
 Know that we'll still have each other
 You can stand under my umbrella
 You can stand under my umbrella
 (Ella ella, ay ay ay)
 Under my umbrella
 (Ella ella, ay ay ay)
 Under my umbrella
 (Ella ella, ay ay ay)
 Under my umbrella
 (Ella ella, ay ay ay, ay ay)
 It's raining, raining
 Ooh baby, it's raining, raining
 Baby, come in to me
 Come in to me
 It's raining, raining
 Ooh baby, it's raining, raining
 You can always come here to me
 Come in to me
 It's pouring rain, it's pouring rain
 Come in to me, come in to me

It's pouring rain, it's pouring rain
Come in to me, come in to me
