Crying In The Shadows

Gary Moore

Sometimes he sees her walking by
He never looks her in the eye
She doesn't know, she doesn't care
What he is feelingAnd as she turns to walk away
There is nothing he can say
She doesn't know, why should she care?
When he's alone, she's never there
To see himCrying in the shadows
Of a love he used to know
But now it's all over
Crying in the shadows
Of someone he called his own
But now he's all alone againSometimes she sees him walking by
She never looks him in the eye
He doesn't know, he doesn't care
What she is feelingAnd as he turns to walk away
There is nothing she can say
He doesn't know, why should he care?
When she's alone, he's never there
He leaves herCrying in the shadows
Of a love she used to know
But now it's all over
Crying in the shadows
Of someone she called her own
But now she's all alone againBut he can see it in her eyes
Oh, she can feel it in her heart
Yes, they can feel it in their hearts
It's tearing them apart
Over and over againCrying in the shadows
Of a love he used to know
But now it's all over
Crying in the shadows
Of someone she called her own
But now she's all aloneCrying in the shadows
Of a love they used to know
But now it's all over
Crying in the shadows
Of a love they used to know
But now they're all alone againCrying in the shadows

Crying in the shadows of love
Crying in the shadows
Crying in the shadows of love
Crying in the shadows
Crying in the shadows of love
