## Big Bill Broonzy

Alberta, Alberta, oh, Alberta  
Alberta, Alberta, oh, AlbertaI've been gambling all night  
And I've lost all of my money  
So ride, Alberta, rideRide, Alberta, ride  
Ride, ride to meI don't care what time of night  
As long as you just treat me right  
Baby, and ride, ride to meRide, Alberta, ride  
Ride, ride to meYou don't need no saddle, baby  
You don't need no gun  
Baby, just ride, ride to meRide, Alberta, ride  
Ride, ride to meI don't care what time of night  
Long as you just treat me right  
Baby, and ride, Alberta, rideOh, ride, Alberta, ride  
Ride, ride to meOh, saddle up your pony  
Put everything you got on him  
Baby, just ride, ride to meOh, ride, Alberta, ride  
Ride, ride to meI don't care what time of night  
Long as you just treat me right  
Baby, just ride, ride to me
