

# Another Day

## Aranda

Your were alone baby  
You never wanted to be free  
I helped you turn the pages  
At least I started to believe  
I gave you my heart on paper  
You never had to read between the lines  
Never returned the favor  
Never let me read your mind  
Oh

But you played me for the fool  
But youâ€™re wrong  
Itâ€™s been a long time coming and we donâ€™t know where were going  
Could you give a little bit of love to me  
Can we have another day  
Oh

You told me you love me  
But then you lied and turned your back to me  
You told me you know me baby  
Girl you donâ€™t have a clue yeah  
You donâ€™t even love him  
You know I can see it deep in your eyes  
So many questions are running through youâ€™re mind

But you played me for the fool  
But youâ€™re wrong  
Itâ€™s been a long time coming and we donâ€™t know where were going  
Could you give a little bit of love to me  
Can we have another day  
I was a fool but youâ€™re wrong  
Itâ€™s been a long time coming and we donâ€™t know where were going  
Could you give a little bit of love to me  
Can we have another day  
Oh yeah, oh

Look in over your shoulder  
You know that itâ€™s not right  
No, no , no, no, no  
The world you live gets colder

And the lie that youâ€™re hiding when Iâ€™m not there  
Oh

But you played me for the fool  
But youâ€™re wrong  
Itâ€™s been a long time coming and we donâ€™t know where we were going  
Could you give a little bit of love to me  
Can we have another day  
I was a fool but youâ€™re wrong  
Itâ€™s been a long time coming and we donâ€™t know where we were going  
Could you give a little bit of love to me  
Can we have another day  
Oh yeah, oh
