You Can Still Rock in America

Night Ranger

Little sister by the record machine
A tiny dancer such a sweet sixteen
She's goin' out, she's gonna party tonight
She's gonna shake and make it last all nightLittle brother's got a drivin' machine
A fast driver such a clean machine
They're goin' out they're gonna put out the lights
They gonna rock it, rock it, rock itYou can still rock in America
Ah yeah, it's alright
You can still rock in America
Ah yeah all night
You can still rock in AmericaLittle sister makes a move for the door
The door squeaks, she's on the second floor
Her daddy wakes, "Is everything okay?"
Not a sound as she makes her getawayLittle brother's got it ready to roll
Tires burnin' as they head for the show
Light it up and turn the music up loud
And rock it, rock it, rock itYou can still rock in America
Ah yeah, it's alright
You can still rock in America
Ah yeah all night
You can still rock in AmericaRock in America
(You can still)
Rock in America
(Rock in America)
Rock in America
(Yeah, you can still)
Rock in AmericaYou can still rock in America
Ah yeah, it's alright
You can still rock in America
Ah yeah all night
You can still rock in America
You can still rock in America
Well you can still rock in America
