Over The Rainbow

Harry Nilsson

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream
Really do come trueSomeday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find meOver the rainbow bluebirds fly
Birds fly over the rainbow, why then oh, why can't I?
If happy little bluebirds fly beyond the rainbow
Why, oh why can't I?
