

Mope (The Swamp Remix)

Bloodhound Gang

We gonna drop this next bomb for a money makin' playa
that ain't with us no mo.
Yeah, Notorious B.I.G.
Hell no, we gonna do this for a gangbangin' thug
that never seen it comin'.
Yeah, Tupac Shakur.
Nah bitch, I'm talkin' 'bout motherfuckin' Falco and shit.
What? Falco? Rock me Amadeus
Rock me Amadeus
Rock me Amadeus
Rock me Amadeus Tried to O.D. on the Cold-Eeze
"Golden Girls" got me "Sweatin' To The Oldies"
Hanging out like Double Ds sip Long Island Iced Teas
Wrote to Mayor McCheese "Send a Shamrock Shake please!"
Three O' Clock on the dot time to cruise for Eighth graders
Rather tape the Weather Channel so that I can watch it later
Reruns of Rerun so "What's Happening?"
Dee's knocked up and Rog on crack again
Deep throat a whole Nutty Buddy
Make whoopie to a batch of Silly Putty
Make a Spam and Colgate sandwich and ate it
Go through "National Geographic" and draw panties on the natives
So I like to dance naked in front of my pets
But my cat was inattentive so I sent him U.P.S.
Playin' spin the bottle with my mom
I watch "Cops" with no pants on Must've blown a fuse nothing's going on
Lamer than the Pope climb the walls like King Kong
Buggin' out like Tori Spelling's eyes
Deader than the parents on a "Party of Five"
Luciano Pavoratti on a treadmill
Not going nowhere slim chance we will
Less hip than Bo Jackson bored like wood
Dick around like Frankie Goes To Hollywood Relax don't do it when you want to go to it
Relax don't do it when you want to cum
Relax don't do it when you want to go to it
Relax don't do it when you want to cum Nowhere to go I can't wake up late
Just sit around and wait for my Old Spice to activate
Stalemate jailbait in "My So-Called Life" imprisonment
Amazing what a good breakfast pickles make isn't it?

I like to pretend I'm speed reading
Never lose the sight of the thrill of sneezing
Don't need a shower today just some Brut by Faberge
Smell the ass of my jeans clean they'll do another day
And I recycle I sniff my own farts
I dial the wrong number hope a conversation starts
I mean I might as well be listenin' to Journey
Givin' myself a mullet hook the Flowbee to the Kirby
Make a prank call pretendin' I'm a mime
Get stuck in traffic just to pass the time
Sent a letter in the mail in Braille to Johnny Quest
Send me back my Etch-A-Sketch Must've blown a fuse nothing's going on
Lamer than the Pope climb the walls like King Kong
Buggin' out like Tori Spelling's eyes
Deader than the parents on a "Party of Five"
Luciano Pavoratti on a treadmill
Not going nowhere slim chance we will
Less hip than Bo Jackson bored like wood
Dick around like Frankie Goes To Hollywood Relax don't do it when you want to go to it
Relax don't do it when you want to cum
Relax don't do it when you want to go to it
Relax don't do it when you want to cum I'm mighty tighty whitey and I'm smugglin' plums
When you want to cum
I'm mighty tighty whitey and I'm smugglin' plums
When you want to cum
I'm mighty tighty whitey and I'm smugglin' plums
When you want to cum
I'm mighty tighty whitey and I'm smugglin' plums
When you want to cum Yo yo yo yo yo! What it is motherfuckers?
Aw shit, here comes Pac-Man.
Hey Pac-Man, what's up?
Me you bitches! I'm high on crack! want to freebase?
No Pac-Man drugs are bad!
Nope can't help you man.
Pussies. Whoa! Holy shit! Must've blown a fuse nothing's going on
Lamer than the Pope climb the walls like King Kong
Buggin' out like Tori Spelling's eyes
Deader than the parents on a "Party of Five"
Luciano Pavoratti on a treadmill
Not going nowhere slim chance we will
Less hip than Bo Jackson bored like wood
Dick around like Frankie Goes To Hollywood Relax don't do it when you want to go to it
Relax don't do it when you want to cum
Relax don't do it when you want to go to it
Relax don't do it when you want to cum Holy macaroni
