S.O.S

One Man Army

S.O.S. In A State Of Emergency
The Situations And The Prying Eyes
Looking At Me
Is There No Where I Could Go?
Somewhere You Couldn't See
S.O.S. In A State Of Emergency
So Let's Say For A Second
I've Grown Attached
My Life Is A Mess
I'm Total Waste
And The Pills That They Gave Me
Just Give Me The Shits
I Don't Think They Work
I'm Suppose To Fit In
Let's Say But Just For A Second
I'm Only Kidding
I'm Well Adjusted
Let's Say Nothin' At All
In A State Of Emergency
I'm Calling Out To Anyone
An S.O.S. I'm In A State Of Emergency
