Fool's Paradise

Willie Nelson

You took me up to heaven - when you took me in your arms
I was dazzled by your kisses - blinded by your charms
I was lost in a fool's paradise
Good and lost in a fool's paradise

When you told me that you loved me - I gave my heart to you
And I wondered if there could be any truth in love so new
I was lost - in a fool's paradise
Good and lost - in a fool's paradise

The whole world was my kingdom
And you the gem in my crown
Then I saw you glance at a new romance
And my love came tumbling down

Though you treat me kind of coolish - and may never let me know
That you think I'm being foolish because I love you so
I'll still got lost in a fool's paradise
Lost with you in a fool's paradise
