

Let's Get This Party Kickin'

Har Mar Superstar

Where the party at? Let's get this party kickin'
It's a Friday night
We gotta get this party movin'
Everything will be alright Save the drama for your mamma or eliminate it
There are ladies
All up in this place, get off the wall, never ball
Get crazy I can't stop the heat from risin'
It's b-b-blazin'
Fever on the hot, dance room floor
You m-m-made me Babies makin'
Babies makin'
Babies Make that ass clap
C'mon
Wah, wah, one, two, three Let's get this party kickin'
It's a Friday night
We gotta get this party movin'
Everything will be alright Party
Party
Party
Party
It's kickin' Save the drama for your mamma or eliminate it
There are ladies
All up in this place, get off the wall, never ball
Get crazy I can't stop the heat from risin'
It's b-b-bazin'
Fever on the hot, dance room floor
You m-m-made me Babies makin'
Babies makin'
Babies Babies makin'
Babies makin'
Babies Let's get this party movin'
It'll be alright
Let's get this party movin'
It'll be alright
