Heaven In Hiding

Halsey

[Verse 1]
Sittin' on the counter in your kitchen
Can you hear my heartbeat fucking kickin'?
Your eyes light up 'cause you best believe that I got something up my sleeve
I walk my talk, no time for wishful thinking
I push up on my toes, you call me "sweet thing"
And breathing down your neck, your body screaming
And you thought that you were the boss tonight but I can put up one good fight
I flip the script like I can take a beating[Chorus]
And when you start to feel the rush
A crimson headache, aching blush
And you surrender to the touch, you'll know
I can put on a show, I can put on a show
Don't you see what you're finding?
This is Heaven in hiding, oh
And when you start to look at me, a physical fatality
And you surrender to the heat, you'll know
I can put on a show, I can put on a show
Don't you see what you're finding?
This is Heaven in hiding
This is Heaven in hiding, oh[Verse 2]
Sitting on the concrete in your basement
But I don't have no time for conversation
Said this ain't what you usually do and a girl like me is new for you
And I can tell you mean it 'cause you're shaking[Chorus]
And when you start to feel the rush
A crimson headache, aching blush
And you surrender to the touch, you'll know
I can put on a show, I can put on a show
Don't you see what you're finding?
This is Heaven in hiding, oh
And when you start to look at me a physical fatality
And you surrender to the heat, you'll know
I can put on a show, I can put on a show
Don't you see what you're finding?
This is Heaven in hiding
This is Heaven in hiding, oh[Bridge]
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh (ooh)
Oh, oh, oh, oh, oh[Chorus]
And when you start to feel the rush
A crimson headache, aching blush
And you surrender to the touch, you'll know
I can put on a show, I can put on a show
Don't you see what you're finding?
This is Heaven in hiding, oh
And when you start to look at me a physical fatality
And you surrender to the heat, you'll know
I can put on a show, I can put on a show
Don't you see what you're finding?
This is Heaven in hiding
This is Heaven in hiding
This is Heaven in hiding, oh[Outro]
Oh, this is Heaven in hiding
This is Heaven in hiding
'Cause I'm Heaven in hiding
