Treading

Brother Ayouba

Treading â€“ Brother Ayouba
In this great tribulation
Let us pray for the deliverance of the souls
Let us pray for peace
Let us pray for love
Let us stay together
Let us give thanks and praises to the almighty God
Let there be love
And live together as one
As it is written
So let it be done
JAH!

And Iâ€™m treading, yes I am treading in Jah Jah land
And Iâ€™m treading, yes I am treading with peace and love
And Iâ€™m treading, cos I know that Jah Jah live
Hey,
Iâ€™ll be treading in Jerusalem with peace and love
Iâ€™ll be treading in Ivory Coast with peace and love
Hey
Peace and love and-a-unity
Peace and love, oh Jah, unity
People, oh people why canâ€™t you see
So much war and inequities
Hatred and oppressions are all over
Wars and rumors of war in the rising
Those who should care go on making much more money
Hey
They are aiding and abetting, well, well, this human tragedy

Jah, Jah give me two beautiful children I canâ€™t see
Remember children, as the father loves me so I will love you
My brothers and sisters are laughing in my back
Hey
They must say I am nothing but a foolish dreamer
Still they know that Jah Jah is the father of creation
Get ready for the coming of His majesty
Ohhhhhh beautiful children, blood is thicker than water
Ohhhhhh Rasta man children, bless-ed be the father

Hey

Hear my plea,
hey,
hear my crying Lord
Canâ€™t you see while you sit around
Iâ€™ll be treading
Iâ€™ll be joining, while you slip around
Iâ€™ve been waiting
Treading through because I know Jah Jah live
Hey
Yes, Iâ€™m treading in Jerusalem with peace and love
Hey
Peace and love
Woh Jah
Unity
Peace and love
Woh jah
Unity
Hey
Weâ€™ll be treading (x3)
Hey, hey
Weâ€™ll be treading (x3)
In this iration
Weâ€™ll be treading in this i-wa
Weâ€™ll be treading
Hey, hey, hey, owa, hey, hey, hey, hey

Treading through cos I know that Jah Jah live
Hey
Yes I am treading in Jerusalem with peace and love
Ahahahaha
