

Where No One Stands Alone

[Dottie West](#)

written by Mosie Lister Once I stood in the night with my head bowed low

In the darkness as black as could be

And I felt so alone and I cried oh Lord don't hide your face from me

Hold my hand all the way every hour every day

From here to the great unknown

Take my hand and let me stand where no one stands alone

[steel]

Like a king I may live in a palace so high with great riches to call all my own

But I don't know a thing in this whole wide world that's worse than being alone

Hold my hand all the way...(1955 Mosie Lister Songs/Southern Faith Songs. BMI)
