

Break Free

Sebadoh

Watch the night slip away
It's what I've done because your eyes saw such a tragedy
Such a tragedy
Tell the rest to me now
It's what you mean, but I feel like I'm getting in too deep
I'm getting in too deep
You're threatened by this town so, lock your door and break free
Lines nurse lies 'til the end
I understand, but it's a shame that you let me in on them
You let me in on them
But I can be good, and you can be good, and we can be good
I asked you for the truth so, lock your door and lose me
