Girlfriend

Day26

[Will]
No [Repeat: x3]

[Will]
I gotta slow down and find the one that's right for me
I'll be on the look out
Please tell me where could she be

[Bridge: Will]
I'm sick and tired of struggling and still can't find the one (one)
When I find that perfect shawty I swear that I'm done
All these phonies make it hard to see please reveal yourself to me
I know she's waiting for me I believe

[Chorus]
Is she on my left (oh) is she on my right (oh) is she in the middle is she here tonight
I been searching high I been searching low
I don't wanna search no mo'
I need a girl-friend (i need a girl) a girl-friend
I need a girl-friend
I need a girl-friend

[Que]:
Seems like I'm close now
Something's in the air tonight
I don't wanna fool around
I'm on the biggest mission of my life

[Bridge]

[Chorus]
