

What's Your Favorite Color?

Living Colour

What's your favorite colour baby? What's your favorite colour baby?

Living colour

What's your favorite colour baby?

Living colour

What's your favorite colour baby?

Living colour

What's your favorite colour baby?

Living colour Well Is it red?

That's what I said

Well is it gold?

You got me some sold

Well is it green?

It must have been

Well is it black?

Get back What's your favorite colour baby?

Living colour

What's your favorite colour baby?

Living colour

Oh what's your favorite colour baby?

Living colour
