I Repeat

Lilith

I take time
I touch down
Once in a while
I send out
I get round
Once in a while
I talk back
I see through
Once in a while
I call up
I want you
Once in a while
I move on
I know why
Once in a while
I give in
I pass by
Once in a while
I turn down
I don't mind
Once in a while
I run back
I rewind
Once in a while
I'll say it again
And I'll do it again
I'll say it again
And I'll do it again
It'll happen again
Again and again
It'll happen again
Again and again and again
