

# Girl's Not Grey

AFI

I'll lay me down tonight  
Much further down  
Swim in the calm tonight  
This art does drown What follows  
Me as the whitest lace of light?  
Will swallow whole  
Just begs to be imbrued  
What follows  
Has led me to this place where I belong with all erased?  
What follows? All insects sing tonight  
The coldest sound  
I'd send Gods grace tonight  
Could it be found? What follows  
Me as the whitest lace of light?  
Will swallow whole  
Just begs to be imbrued  
What follows  
Has led me to this place where I belong with all erased? I lay me down tonight  
Much further down  
Watch stars go out tonight  
On sinking ground I'll lay me down  
I'll lay me down What follows  
Me as the whitest lace of light?  
Will swallow whole  
Just begs to be imbrued  
What follows  
Has led me to this place where I belong with all erased? What follows  
Will swallow whole?  
What follows  
Will swallow whole?
