

# Prior to You (feat. Tank)

Tyrese

There's a first time for everything  
So I knew this day would come  
Took me long enough to get it  
But I knew you were the one yeah  
First of all let me apologize  
For putting you through so much  
But I'll be foolish man, to ever mess this up (You caught me) you caught me by surprise  
I thought I'd seen everything  
Until I looked into your eyes  
'Til I found what I was missing Girl, prior to you  
I never seen something so beautiful  
Baby, prior to you  
I'd never seen something so fly  
Prior to you  
Thought that love was juts a fairytale  
Then you came along  
And showed me how to love again If there's such a thing  
As heaven sent, girl that'll be you  
It's all new to me  
'Cause I've never been so over the moon  
It happened to me right when  
I was bout to turn my luck card in  
If you hadn't showed up when you did  
I'd be through it, you caught me baby Caught me by surprise  
I thought I'd seen everything  
'Til I looked into your eyes  
And then I found what I was missing Girl, prior to you  
I never seen something so beautiful  
Baby, prior to you  
I'd never seen something so fly (never seen something so fly)  
Prior to you  
Thought that love was juts a fairytale (ooh)  
Then you came along  
And showed me how to love again Sunset over the ocean  
Tails in comparison  
Somewhere out of this world's gotta be where you're from  
I don't know what I did to deserve this love that you give  
Been in love before but still Girl, prior to you  
I never seen something so beautiful

Baby, prior to you  
I'd never seen something so fly (never seen something so fly)  
Prior to you  
Thought that love was juts a fairytale  
Then you came along  
And showed me how to love againCame along and  
Showed me love again, hmm
