

# Blue Sky

Francesca Battistelli

When you're down and you're out  
And you don't think you have a friend  
When you're lost in the doubt  
And you can't see what's around the bend

Just hold on don't turn around  
Keep on walking don't lose heart  
Cause I am here I am here  
Where ever you are where ever you are

When the rain is falling  
There's no silver lining  
And you just can't seem to find the light  
When you need a reason to help you keep believing

May my love be your blue sky (your blue sky)  
Your blue sky (your blue sky)  
Your blue sky (your blue sky)  
Your blue sky (your blue sky)

Don't you know that I know  
Life can be so hard  
It makes you wanna give up  
(Wanna give up wanna give up)

But don't you know over the horizon  
The sunny day you're looking for  
Is waiting right here in my love

Just hold on don't turn around  
Keep on walking don't lose heart  
Cause I am here I am here  
Where ever you are where ever you are

When the rain is falling  
There's no silver lining  
And you just can't seem to find the light  
When you need a reason to help you keep believing

May my love be your blue sky (your blue sky)

Your blue sky (your blue sky)  
Your blue sky (your blue sky)  
Your blue sky (your blue sky)

Come on come on  
Don't you be afraid  
Whatever comes tomorrow  
My love is here to stay

Come on come on  
Don't you be afraid  
Whatever comes tomorrow  
My love is here to stay

Come on come on  
Don't you be afraid  
Whatever comes tomorrow  
My love is here to stay

Come on come on  
Don't you be afraid  
Whatever comes tomorrow  
My love

When the rain is falling  
There's no silver lining  
And you just cant seem to find the light  
When you need a reason to help you keep believing

May my love be your blue sky (your blue sky)  
Your blue sky (your blue sky)  
Your blue sky (your blue sky)  
Your blue sky (your blue sky)

Come on come on  
Don't you be afraid  
Whatever comes tomorrow  
My love is here to stay

Come on come on  
Don't you be afraid  
Whatever comes tomorrow  
My love is here to stay
