

Funtime (feat. David Bowie) [Live]

Iggy Pop

(Fun) hey baby, we like your lips
(Fun) hey baby we like your pants
All aboard for funtime(Fun) hey, I feel lucky tonight
(Fun) I'm gonna get stoned and run around
All aboard for funtime(Fun) last night I was down in the lab
(Fun) talkin' to Dracula and his crew
All aboard for funtime(Fun) I don't need no heavy trips
(Fun) I just do what I want to do
All aboard for funtime(We like fun)
(We like fun)
(We like fun)(Fun) baby, baby, we like your lips
(Fun) baby, baby, we like your pants
All aboard for funtime(Fun) everybody, we want in
(Fun) we want some, we want some
All aboard for funtime(Fun) baby, baby, we like your lips
(Fun) baby, baby, we like your pants
All aboard for funtime
