

Freeway View

[James McMurtry](#)

I got a room with a freeway view
I'm only home at night
I ain't ever coming back to you
Or then again I mightOr then again I might get lonely
Then again I might not know I'm blindI got a job on a survey crew
Pays enough for me
I ain't ever coming back to you
Then again, then again we'll seeThis time it just might take
This time it might just make it realCan not keep my hands off you [Repeat: x 4]Can not keep my hands off you
[Repeat: x 4]I got a room with a freeway view
I'm only home at night
I ain't ever coming back to you
Better off aloneI would rather keep my frozen heart
I love you but I chosen darknessCan not keep me hands off you [Repeat: x 4]
