

Give My Love to Kevin

Wedding Present

Why should I want to know his name?
What difference does it make?
You know I tried dead hard to keep away
I just had to call again Where did you go last night?
What's that new place like?
Okay, I won't ask anymore questions
And then you can't tell me lies Well, they always need good men
They're crying out for them
It's not the sort of job I'd do myself
But then I'm not him Oh, he buys you pretty things
And what does your mother think?
I just can't bear to imagine you
Sharing a bed with him Tell me why should I be upset?
Some kid I've never met
We'd better sort this out before I go
And say something I'll regret No, I'm sure it suits him
I'm not trying to be anything
Before I leave I want you to
Give my love to Kevin
