

Get Stupid (LuvBug Remix)

Aston Merrygold

Wow!
Don't bring that bad game with ya,
Leave it at the door.
It's a cold blooded killer
Taking out for sure.
It can move it a nine to five (alright) That's what we gon' do.
Yeeah!
Let's not complicate it
Trouble maker
What's the point if you can celebrate? Let the good times multiply
Just me and you, yeeah!
Gonna tell ya now
Let me tell ya now
Let me tell ya now.
Wow!
Here's an invitation to the whole wide world
From your brother to your sister to your best friend's girl
Can't excuse it,
No excuses
Everybody get stupid!
Unpredictable and ready
Never slick and steady
Once you get it then you won't let go.
Don't call it foolish I say it's coolish
Everybody get stupid
I say MJ thriller
Outta control
Keep 'em guessing like Riddler
Edward Nigmar.
But it's not that hard to find
It's all about you.
Let's not complicate it
Trouble maker
What's the point if you can celebrate? Let the good times multiply
Just me and you, yeah.
Gonna tell ya now
Let me tell ya now Let me tell ya now.
Wow.
Here's an invitation to the whole wide world

From your brother to your sister to your best friend's girl

Can't excuse it

No excuses

Everybody get stupid.

Unpredictable and ready

Never slick and steady

Once you get it then you won't let go.

Don't call it foolish I say it's coolish

Everybody get stupid.

If you got money in your pocket

It don't mean nothing

If you ain't where it is

If you ain't where it is.

If you ain't got a mister

I'll dance with ya til it's late Let 'em in

Til it's late let 'em in.

Here's an invitation to the whole wide world

From your brother to your sister to your best friend's girl

Can't excuse it

No excuses

Everybody get stupid.

Unpredictable and ready

Never slick and steady

Once you get it then you won't let go.

Don't call it foolish

I say it's coolish

Everybody get stupid.
