

# So It's You

## Raymond Lauchengco

Smile, and that's how it all started  
and you came right in time  
when I needed someone  
and we said hello  
then suddenly my heart was beating fast  
So it's you  
I've been waiting for so long  
So it's you  
where were you all along  
Very special moments  
this will always be with me  
We are here, you and I, we belong  
We touched  
and we felt more beautiful  
and two hands reaching out  
filled with so much longing  
It felt good inside there is no denying  
I'm in love  
So it's you  
I've been waiting for so long  
So it's you  
where were you all along  
Very special moments  
this will always be with me  
We are here, you and I, we belong  
So it's you  
I've been waiting for so long  
So it's you  
where were you all along  
Very special moments  
this will always be with me  
We are here, you and I, we belong  
We are here, you and I, we belong
