

# Breakers (Acoustic) [iTunes Session]

## Local Natives

Waiting for  
My words to catch like I'm trying  
To strike a match that's soaking wet  
See through skull  
See through skin  
Leave all the lights on  
Can't see out, but they see in  
Stare down my nose, watching  
The color drain from my eyes  
Cold cereal and TV  
Before I go to sleep  
Breathing out, hoping to breathe in  
I know nothing's wrong, but I'm not convinced  
No, I know, I know, I've already told, myself  
Maybe I'll believe it from somebody else  
No, I know, I know, I've already told, myself  
Maybe I'll believe it from somebody else
