

In and Out of Love

Diana Ross and the Supremes

In and out of love
In and out of love
(Wow ahh)
In and out of love
In and out of love
You're wired
Set to explode in the heat
You won't tire
'Cause Baby, you were born with the beat
Take you higher than you've ever known
She'll send you down to your knees
Then pick you up when you've had enough
You've been burnin', Baby
(In and out of love)
Hear what I'm sayin'
(In and out of love)
It's the games that we're playin'
(In and out of love)
Too much is never enough
She's gonna get ya
Runnin' wild
When me and my boys hit the streets
Right on time
She's here to make my night complete
Then I'm long gone, I got another show
This one more town, one mile to go
One endless night of a fantasy
Is all she left of her with me
(In and out of love)
Hear what I'm sayin'
(In and out of love)
It's the games that we're playing
(In and out of love)
When we're together
(In and out of love)
It's too much forever
(In and out of love)
Hear what I'm sayin'
(In and out of love)

It's the games that we're playin'
(In and out of love)
Too much is never enough
She's gonna get you
Ahh
Ohh
In and out of love
In and out of love
In and out of love
We are in and out of love
(In and out of love)
(In and out of love)
(In and out of love)
(In and out of love)
(In and out of love)
You've got it too
(In and out of love)
Hey baby
(In and out of love)
Just how old are you anyway
(In and out of love)
