

# 10.000 Devils

## Artillery

The struggle you keep within  
Pleading not guilty in a world of sin  
The voices inside your head  
Forever you're chained to the living dead  
When the night takes over  
And the walls are closing in  
You are back in your dirty hole  
The dialog you keep within  
Possessed by the world of original sin  
The empty feeling inside  
Forever in debt to the lie of lies  
And it feels like the world is ending  
And your mind is a torture chamber  
It feels like the world is crumbling  
And you life is like a train wreck  
(And your life is like a screaming,  
Bloody, living train wreck)  
10.000 devils are pulling you under  
10.000 devils are up from below  
10.000 devils the spell you are under  
10.000 devils screaming words you don't know  
The innocence you hide within  
Soul searching demon, oh! The place you've been  
The ice cold feeling inside  
Your mind is a storm only waiting to die
