

# Endless Forms Most Beautiful (Orchestral Version)

## Nightwish

Come on hop on let's take a ride  
Come and meet the travelers who came to town  
They have a tale from the past to tell  
From the great dark between the stars We are a special speck of dust  
A fleeting moment on an ark  
A celebration, a rest haven of life Lay on a field of green with mother Eve  
With father pine reaching high  
Look at yourself in the eyes of aye-aye  
Unfolding rendezvous Deep into the past  
Follow the aeon path  
Greet a blade of grass  
Every endless form most beautiful  
Alive, aware, in awe  
Before the grandeur of it all  
Our floating pale blue ark  
Of endless forms most beautiful Beyond aeons we take a ride  
Welcoming the shrew that survived  
To see the Tiktaalik  
Take her first walk witness the birth of flight Deeper down in Panthalassa  
A eukaryote finds her way  
We return to the very first one  
Greet the one we'll soon become Lay on a field of green with mother Eve  
With father by reaching high  
Look at yourself in the eyes of aye-aye  
Unfolding rendezvous Deep into the past  
The lonely eon path  
Greet a blade of grass  
Every endless form most beautiful A life of wearing on  
Before the grandeur of it all  
Our floating pale blue ark  
Of endless forms most beautiful Deep into the past  
The lonely eon path  
Greet a blade of grass  
Every endless form most beautiful A life of wearing on  
Before the grandeur of it all  
Our floating pale blue ark  
Of endless forms most beautiful
