## **Fast Junkie**

## **Overkill**

Fast JunkieLean in, take it right Down one, no kissin' concrete I'm awake, I'm awake, I'm awake Too alive, it's comin'Let it go, let it go, let it go Let it go, let it go, let it go go goMy strip, my bank My rubber rut steel, my tank I kill, I kill, yea kill kill kill Too alive, let it goNo time for thinking A full out Fast Junkie Pushin' the red, hey Full out speed monkeyGo go go go Head shakeWith thoughts fixed upon the fix Inside the vein With thoughts fixed Not so easily explainedLet it out, let it go What you do not what you know One more, fix clean, I'm one I am a machine, I am a machine, I amNo time for thinking A full out Fast Junkie Pushin' the red, hey Full out speed monkeyNo time for thinking A full out Fast Junkie Pushin' the red, hey Full out speed monkeyHead shake Wide fucking open Wide fucking open
