Human Touch

Rick Springfield

Everybody's talking to computers
They're all dancing to a drum machine
I know I'm living on the outside
Scared of getting caught between
I'm so cool and calculated alone in the modern world
But Sally has a hard time holding back
The alley to her heart is a beaten track
She's got the love monkey riding on her back
You want love I got it, come on girl
We all need the human touch
We all need the human touch
I need it, the human touch
We all need the human touch
We all need it, and I need it too
You know, I got my walls
Sally calls them prison cells
Sometimes I need protection
I've got the chains, I got the warning bells
I sit so snug and isolated alone in the modern world
But Sally has a hard time holding back
The alley to her heart is a beaten track
She's never out of love, she's got the knack
You've got love I want it, come on girl

We all need the human touch
We all need the human touch
I need it the human touch
We all need the human touch
We all need it, and I need it too
Human touch
Human touch
Human touch
Human touch
I'm so scared and isolated in the modern world
We all need
We all need the human touch
We all need the human touch
We all need the human touch
I need it the human touch

We all need the human touch
I need it the human touch
We all need it, and I need it too
Human touch
Human touch
Human touch
Human touch
Human touch
