For The Last Time

[Rory Gallagher](#)

You've done me wrong
For the last time
You've sung your song
Now I'm goin' to sing mineOut loud, so loud
Like the roaring seaYou've played around
For the last time
You've shown your claws
Now I'm goin' to show mineWatch out, I feel about
In the nightYou went around
Since the very first day
You've had your moment
Now I'm gonna have my playSo long, I'll be gone
In the nightYou've done me wrong
Since the last time
I hit the floor
But I got up on the count of nineGoodbye, don't cry
When I'm gone
