# Forward To The Future

## The O.C. Supertones

It all went by so fast, I'm always lookin' back
On some golden day but nothin' gone can stay
Older yes and wiser some, I am what I have become
But am I becomin' what I want to be?And as we go on with the rest of our lives
Dont forget from where you cameLook forward to the future, what you wanna be
Look forward to the future, grace, integrity
Look forward to the future, the things you wanna do
Look forward to the future, faith and honestyWistful as a wish, I sit and reminisce
People that I knew and old friends that I miss
Older, yes and wiser some, lookin' at how far I've come
But is where I'm goin' where I want to beAnd as we go on with the rest of our lives
Dont forget from where you cameLook forward to the future, what you wanna be
Look forward to the future, grace, integrity
Look forward to the future, the things you wanna do
Look forward to the future, faith and honestyIt all went by so fast, I'm always lookin' back
On some golden day but nothin' gone can stay
Older yes and wiser some, I am what I have become
But am I becomin' what I want to be?And as we go on with the rest of our lives
Dont forget from where you cameLook forward to the future, what you wanna be
Look forward to the future, grace, integrity
Look forward to the future, the things you wanna do
Look forward to the future, faith and honesty
