

# Luckiest Man Alive

## Dry County

Some times I wonder what it is you see in me  
And what is it I make you feel  
Cause I lived my life  
But you see some light in me  
Tell me is this all for real

I often wonder were Iâ€™d be  
If I wasnâ€™t in your arms  
So Iâ€™ll take one last change.  
And my I have this dance  
And I will give you  
The rest of my life

Cause you make me feel like the luckiest man alive  
And I must have done something good in this life  
You make me feel, like the luckiest man alive  
To win your love

Some times I lay awake and watch at you sleep  
And I look at myself and wonder what you see  
And when I almost loose my faith  
I see a smile come across your face  
And I know that you are dreaming of me

You make me feel like the luckiest man alive  
And I must have done something good in this life  
You make me feel like the luckiest man alive  
To win your love

Well sometimes I honestly believe  
Gods trying to make up to me  
For every dream he ever took away  
You know I still believe

That Iâ€™m the, Iâ€™m the luckiest man alive  
And I must have done something good in my life  
You make me feel like Iâ€™m the luckiest man alive  
To win your love

Iâ€™m the luckiest man alive

And I must have done something good in this life  
You make me feel, like Iâ€™m the luckiest man alive  
To win your love

Iâ€™m the luckiest man alive  
To win your love
