Close to You

Zorita

I've been following your smell, but the scent is almost gone
You're a fast runner baby, but my pace is pretty strong
Don't bother looking back, because my mind is set on you
I'm gonna get you anyhow, no matter what you doWell they say that I've gone crazy, they say i've gone insane
But the reason why i'm tripping, is that you're messing with my brain
When i get my hands on you, they will be burning with desire
You better watch it now baby, I'm gonna set your soul on fireI'm getting close to you, ain't no tellin what I'm gonna do
Ain't no tellin what i'm gonna doI never thought you'd do me wrong, you never were to blame
But now when you caress me, you always leave a stain
I tried to be gentle, in my approach to you
Gave you satisfaction, but I was never good enough for youI gave you what you wanted, I gave you my all
I gave my life and all my love to answer to your call
I hope that you'll remember, when you are home alone
This body that you knew and loved, right down to the bone.I'm getting close to you, ain't no tellin what I'm gonna do
Ain't no tellin what i'm gonna do
