I'll Never Get Over You Getting Over Me

Karylle

I hear you're taking the town again
Havin' a good time with all your good-time friends
I don't think that you think of me
You're on your own now and I'm alone and free
I know that I should get on with my life
But a life lived without you could never be right
As long as the stars
Shine down from the Heavens
Long as the rivers run to the sea
I'll never get over, you getting over me
I try to smile so the hurt won't show
Tell everybody, I was glad to see you go
But the tears just won't go away
Loneliness found me, looks like it's here to stay
I know that I oughta find someone new
But all I find is myself always thinking of you
As long as the stars
Shine down from the Heavens
Long as the rivers run to the sea
I'll never get over, you getting over me
Oh, no matter what I do
Each night's a lifetime to live through
I can't go on like this, I need your touch
And you're the only one, I've ever loved, oh oh ah
And as long as the stars
Shine down from the Heavens
Long as the rivers run to the sea
I'll never get over, you getting over me
I'll never get over, you getting over
Never get over, you getting over
I'll never get over, you getting over me
