

# Put Them to Death (1989 Demo)

## Cannibal Corpse

Evil people with evil minds  
Slaughter their victims with ripping knives  
They should be caught and put to death  
Strapped to the chair, they should die there Blood spewing from their eyes  
As you hear their sinful cries  
Destroy their evil minds  
We should take their fucking lives  
They should be caught and punished  
For what they have done  
Torture them slowly it would be fun  
Kill them all off one by one Let them go, no torture them slow  
Fuck you, and your kind  
We don't need you, or your lives  
Execute by injection  
Execution by electrocution Evil people with evil minds  
Slaughter their victims with ripping knives  
They should be caught and put to death  
Strapped to the chair, they should die there
