

# Fever Of Love (Rare Studio Track)

## The Sweet

You took the apple from the tree  
And gave the fruits of love to me  
But love is blind I couldn't see  
Those neon nights you'd left behind  
You should have laid it on the line  
Procrastination stole my timeThe day has come the years will go by  
Things have changed have opened my eyes  
And she tried to hide the feeling inside

But you know and you know and you knowThe fever of love is like a hundred above

You are the one that turns me onThe fever of love is like a hundred above

I got you under my skin you are my adrenalinI've got your love in my veins

It's gonna ease the pain in my heart  
In my heartGood vibrations came today  
God only knows they're gonna stay  
But psychic ways can fade away  
You were the guardian of my soul  
Who'll turn my memories to gold

I'll still be younger when I'm olderI'm feeling high on pure emotion

I know I could cry an ocean  
And I can't hide my feeling inside

But you know and you know and you knowThe fever of love is like a hundred aboveThe fever of love is like a

hundred aboveThe fever of love

The fever of love . . .
