Man Watcha Doin?

FM Static

I heard this guy say once:

If I had the money than Id,
Buy all the happiness that money could buy,
Id have 10 stretch limos like a movie star,
And a room in my house just for my guitar
And if I had money than Id,
Only wear Sean John,
Eat my cereal with Grey Poupon,
In a swimming pool about one mile long,
With speakers underwater,
Playing this song

Man, whatcha doin?
Don't ya know that, money cant
Buy you love? It cant make you happy,
Happy like, havin' someone to laugh with
Man whatcha doin'?
Don't cha know that, money cant make it right,
You need to love yourself my man,
Before you love somebody else

Man, sit down, and listen to me for a second,
I'm not tryin' to be the sound of a broken record,
But every day you live your life, thinkin' this is
All there is, your cheatin' yourself outta
Somethin' special. no doubt...

He said:

If I had the money than Id,
Buy all the happiness that money could buy,
Id have 10 stretch limos like a movie star,
And a room in my house just for my guitar
And if I had money than Id,
Only wear Sean John,
Eat my cereal with Louie Vuitton,
In a swimming pool about one mile long,
With speakers underwater,

Playing this song

Man, whatcha doin'?
Don't ya know that, money cant
Buy you love? It cant make you happy,
Happy like, havin' someone to laugh with
Man whatcha doin'?
Don't cha know that, money cant make it right,
You need to love yourself my man,
Before you love somebody else
