Animal Machine

Breakbeat Era

Down and round is on my mind
Sleep forever I got time
Feel my feelings on her wear
You look nervous I don't care
All you got I rich inside
Free to do what's in my mind
Stlye to suit you make it clear
4am are you still here
Don't believe me when I say
Don't be scared don't run away
I coil around you no escape
Run on home it's getting late
With the tightly break on things
Bite the flesh that feeds you please
With my style I go betweenI'm a walking animal machine and you ain't safe with me
I'm a walking animal machine and you ain't safe with me
I'm a walking animal machine and you ain't safe with me
I'm a walking animal machineDon't believe me when I say
Don't be scared don't run away
I coil around you no escape
Run on home it's getting late
All you got I rich inside
Free to do what's in my mind
Stlye to suit you make it clear
4am are you still hereYou ain't safe with me
I'm a walking animal machine and you ain't safe with me
I'm a walking animal machine and you ain't safe with me
I'm a walking animal machineNo point in lying
My mind is playing
Everytime I close my eyes I see you
No way to hide it, no way to say it
It's in the smallest things that you do
I can't believe my mind is playing
My mind is playing these trips like this
Can feel my eyes is straying
I need a heat I feel to be I'm with youI'm a walking animal machine and you ain't safe with me
I'm a walking animal machine and you ain't safe with me
I'm a walking animal machine and you ain't safe with me

I'm a walking animal machine
