

# Kiss And Tell

Michael Tolcher

Find myself  
Lookin' for  
Some company Beautiful  
Multiplied by two One is only half as much as it could be, Baby  
With you, whoa Yeah Would you be my hey  
How do you feel  
Would you be my angel with sex appeal  
Would you be my sweet taste of caramel  
My kiss and tell  
My kiss and tell Animals are makin' sense  
Their seasonal  
Relationships  
Let's begin  
I'll be your friend  
You're bendinere  
Cloudy or clear I'll still be here  
I'll still be here, yeah Would you be my hey  
How do you feel  
Would you be my angel with sex appeal  
Would you be my sweet taste of caramel  
My kiss and tell No reason to be shy  
No pleasures to deny  
No promises to keep  
Ain't the one thing worth losin' sleep baby Do you know what that is  
Do you know what that is All I want is someone to believe in me  
To be free with me Would you be my hey  
How do you feel  
Would you be my angel with sex appeal  
Would you be my sweet taste of caramel  
My kiss and tell  
My kiss and tell My kiss and tell  
My kiss and tell  
Yeah  
Yeah  
Yeah
