I Believe

Shades

We don't have to rush it baby, let's slow it down
We got plenty of time to fool around
If you really love me baby then you will wait
There are plenty of girls that won't hesitateI'm not tryin' to dis this is how I feel
'Cuz I want what we have to be so realMy momma always told me that true love will last
Don't you know that one night stands are a thing of the pastI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meLately I notice that your shy in a way
Is it 'cuz I haven't givin' you any play
I'm not tryin' to tease you but I have to hold back
I can't give you my all and get nuttin' backI'm not tryin' to dis this is how I feel
'Cuz I want what we have to be so realMy mother always told me that true love will last
Don't you know that one night stands are a thing of the pastI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meIt's the fallin' in love that's makin' me feel
It's the being in love that makes the sex more realI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love meI believe that love should be much more than sex
Can't you see that sex ain't nuttin' if you don't love me
