

Blanket

Imogen Heap

Advisory - the following lyrics contain explicit language:

(with urban species)
Music is my sanctuary
Will be music is my blanket
Emotionless this city lies
Cruel it is, it clouds my eyes
The dark the dark
Shades of my day
I live inside this place
Locked up inside my metal cage
Always tense and filled with rage
Above the concrete fields below
With you I wanna go, wanna go
Music is my blanket
Will be music is my ? ?
I see only what I wanna see
I'll be only what I wanna be
My blanket covers me, yes
Yeah, check it
Yeah as a human I was born ? ? ?
Traded my albino (?)
? ? ? gyro
But I ? ? ?
? ? ? consume
All these decent melodies
That keep realities at bay
? ? ?
Start to fade away, fade away
Alone withint myself again
I try to veil away my pain
The dirty grey surrounding me 'round
And now I hear no sounds...
I feel like ? ? ? from ? ?

As I wonder how I keep from going under
I got trouble on my mind like my name is chuck d
And like marvin gaye it makes me wanna holler
When the music hits me
I feel no pain
That's why I got to put you on again and again
I take the needle off the deck
? ? ? in my vein
As the rush hits my brain
And the pain goes, trouble down the drain
I see only what I wanna see
I be only who I wanna be
My blanket covers me
Music is my blanket
Will be music is my ? ?
I see only what I wanna see
I be only who I wanna be
My blanket covers me
Music is my blanket
Will be music is my ? ?
You are my living world
You are my living world
You are you are you are my
My only living world....
