Girl With No Eyes

It's A Beautiful Day

There's a girl in my room and her face on the wall with no eyes.
There's a girl in my room and her face on the wall with no eyes.
Girl with no eyes,
who can she be?
Girl with no eyes,
she's looking at me.There's a girl in my room and her face on the wall with no eyes.
If I make a sound she'll know that I'm stirring inside.
If I make a sound she'll know that I'm trying to hide.Girl with no eyes,
who can she be?
Girl with no eyes,
she's looking at me.
Beautiful girl,
who does she see?
Beautiful girl,
she seems to be staring.Doesn't eveybody know, everybody know,
love takes a lifetime.
And doesn't everbody know, everbody know,
love is the eye sight,
it's the eye sight of a lifetime.She's just a reflection of all of the time that's gone by.
She's just a reflection of all of the time I've been high.Girl with no eyes,
who can she be?
Girl with no eyes,
she's looking at me.
Beautiful girl,
who does she see?
Beautiful girl,
she seems to be staring.Doesn't eveybody know, everybody know,
love takes a lifetime.
And doesn't everbody know, everbody know,
love is the eye sight,
it's the eye sight of a lifetime.
