

# Rock and Roll

## The Runaways

Ginni said when she was five years old  
You know there's nothing going down at all  
She turned on that radio  
And there was nothing happenin' at all  
She turned on that LA station  
Couldn't believe what she heard at all  
She started dancing to that fine fine music  
Her life was saved by rock and roll Despite all the complications  
You could just dance to that rock and roll station  
And it was alright  
It was alright  
It was alright  
It was alright, you betcha Ginni said when she was five years old  
You know our parents will be the death of us all  
Two TV sets and two cadillac cars  
Well they don't mean nothin' at all  
She turned on that LA station  
Couldn't believe what she heard at all  
She started dancin' to that fine fine music  
Her life was saved by rock and roll Despite all the complications  
You could just dance to that rock and roll station  
And it was alright  
It was alright  
It was alright  
It was alright, you betcha
