

But It's Alright

Huey Lewis & The News

You don't know how I feel
You never know how I feel
When I needed you to come around
You always try to put me downWell, I know girl, believe me when I say
That you are someday gonna payGirl, but it's alright, alright girl
You can hurt me but it's alrightHey, now one day you'll see
You'll never find a guy like me
Who'll love you right, both day and night
You never have to worry 'cause it's alrightOh, but I'm tellin' you girl and I know that it's true
I want some mixed [Incomprehensible] youGirl but it's alright, alright girl
You can hurt me but it's alright, oh yeahOh yeah
My, my, my, babyI said it's alright, alright girl
Hey, now it's alright, alright girlNow everything I wanna say, yeah
You'll meet a guy that'll make you pay
He'll treat you bad and make you sad
And you will ruin the love you hadOh, but I'd hate to say I told you so
Baby, you got to, got to reap what you sowGirl, but it's alright, alright girl
You are payin' now but it's alrightGoodbye love, goodbye girl
You're payin' now but it's alright
You hurt me once, you hurt me twice
Oh, but a baby, that don't cut no ice
