Truth or Dare

Fifi Cooper

Yeah yeah yeaah yeah fifi cooper saaaan!
Chorus
I see you got an attitude
But you fly and its hella cool,
It's not a problem I'm not mad at you
No more lies I just want the truth

I want somebody that will vibe with me
I want somebody that will ride and die with me..(now would you),now would you
lie for me if I asked you to?...

Ok,lets play truth or dare..do you care?
Truth or dare?..truth or dare?oh command me I'll show you just how I feel..
.....
In days like these getting money is all I pray..ramasae kea tlalusa kea kgopela.
Lord please give me strength to carry on even though my heart is torn into pieces..

Now I'm just being walk on,ok it don't matter,what matters the most
Coz in this matter I gotta tell it,to
you I don't matter no more..

I need the kind of love where we laugh more and cry less,then why would I give more and get less its senseless,now the parents have to be involved in this mess
We laugh and we cry,smile and we frown
we break up and make up same thing all the time
Why can't we just be what we were meant to be..lovers??
Why can't we just be happy forever and ever?...

Chorus

Oh oooh oh x5 eeh eeh x5

You need to decide
(If you're in my life)
You need to calm down
(If you're in my life)
You gotta stay true
(If you're in my life)
You need to stay true

(If you're in my life)x2

Chorus
