

Have a Little Faith in Me

Delbert McClinton

When the road gets dark
And you can no longer see
Just let my love throw a spark, baby
And have a little faith in me And when the tears you cry
Are all you can believe
Just give these loving arms a try, baby
And have a little faith in me Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me When your secret heart
Cannot speak so easily
Come here darlin', from a whispered start
To have a little faith in me And when your back's against the wall
Just turn around and you will see
I will catch you, I will catch your fall, baby
Just have a little faith in me Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me Well, I've been loving you for so long, girl
Expecting nothing in return
Just for you to have a little faith in me You see, time, time is our friend
'Cause for us there is no end
All you gotta do is have a little faith in me I said, I will hold you up, I will hold you up
Your love gives me strength enough
So have a little faith in me All you gotta do, baby
All you got to do is just
Have a little faith in me
