I met this girl named Chanelle, from ATL

An actress and a singer, she was paid in mills

We first spoke, thought I found a bad chick on the spot  
'til I noticed that her breath smelled like fat kids in a box

I knew this girl named Jill, who wanted my baby

I always told her no but I ain't know she was crazy

I was in there had to bust, I was like "Wait Jill!"

She put a gun to my head and was like (STAY STILL!)

Met this girl named Laniece, a freak but ugly

Stripped for me once and her butt cheeks was musty

Every time it got loud she would sneak a small fart

Chick passed so much gas she could make a car start

Knew this chick named Shirley, she acted so perky

But little did I know that the chick had herpes

Tried to kiss me in my sleep I got up and screamed

Chick had a cold sore that looked like John McCain

Now I'm sittin on my couch and I'm thinkin how to get  
to the point where I can't even get a decent soundin chick

One more try to holla I'ma mace 'em in their lip

I never thought it'd be bad that I got way too many chickzI-I-I-I-I

I got way too many chickz (x5)

But if I had a dollar for the good ones I wouldn't make shit, shit!(BenJ)

I met this one chick, named Miley Jets

I was so fascinated by Miley's breasts

She said she had a gift, it was probably sex

But when she took her wig off she looked like Kanye West

I met this girl named Tiqa she was not no groupie  
She was a black belt, starred in kung-fu moviess  
I liked her but I had to dump her on the second date  
Cause every time she moved her mouth her words would come a second late  
I met this chick name Yvette who was into sex  
Got her naked in an hour then we hit the bed  
She was twitchin so much like she had the best  
I found out the real reason cuz she had Tourette's (God damn!)  
I met this one teacher named, Mrs. Chandelier  
She was so bomb that I was skippin lunch to see her  
'til she snuck up from behind me and I kicked her out of fear  
Sounded like Ja Rule was tryin to whisper in my ear  
Now I'm sittin on my couch and I'm thinkin how to get  
to the point where I can't even get a decent soundin chick  
One more try to holla I'ma mace 'em in their lip  
I never thought it'd be bad that I got way too many chickzI-I-I-I-I  
I got way too many chickz (x5)  
But if I had a dollar for the good ones I wouldn't make shit, shit!
